Please take a moment and carefully read the following information and sign where indicated.

I (the client) understand that bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a allopathic physician, chiropractic physician, or other qualified medical specialist for any mental or physical ailment that I am aware of. I further understand that bodyworkers/massage therapists are not qualified to perform spinal or skeletal adjustments, diagnose, prescribe or treat any physical or mental illness, and that nothing said in the course of the session(s) given should be construed as such. I also understand that the therapist is trained in several soft-tissue modalities and we will decide together which modality is utilized. If I am uncomfortable for any reason, I will inform the therapist to terminate the session.

I understand everything discussed during the treatment will be held in total confidentiality between the practitioner and myself.
